In accordance with article 108 of the Articles of Association, Mr. Shum Siu Hung, Mr. Niu Jimin and Mr. Jin Qingjun (“Mr. Jin”) will retire by rotation and being eligible, will offer themselves for re-election as the Directors at the Annual General Meeting.

In reviewing the structure, size and composition of the Board, the nomination committee of the Company (the “Nomination Committee”) will consider the Board diversity from a number of aspects, including but not limited to gender, age, race, language, cultural and educational background, industry and professional experience, and skills and knowledge. It shall recommend suitable candidates who are in and outside of the Group’s circle of contacts. The candidates identified will be considered against criteria including character and integrity, business experience, compliance, willingness to devote sufficient time to discharge duties, diversity, contribution to the Board, and independence as may be necessary for the operation of the Board as a whole, with a view to maintaining a sound balance of the Board’s composition.

The Nomination Committee is of the view that the re-election of Mr. Jin as an independent non-executive Director will enhance the professional background of the Board in investment and compliance and promote the diversity of the Board in educational background and professional experience as he has profound knowledge of relevant laws and regulations, as well as extensive practice experience in law, finance, investment and foreign-related legal affairs. The Board noted the positive contributions of Mr. Jin to the development of the Company’s strategy and policies through independent, constructive and informed contributions supported by his basic knowledge of operations of listed companies and compliance requirements, skills, experience, expertise and qualifications and from his active participations at meetings. Mr. Jin has served on the Board for more than 6 years but has never held any executive or management position in the Group nor has he throughout such period been under the employment of any member of the Group. The Board considers Mr. Jin to be independent and recommends him to be re-elected.

Mr. Jin is holding seven listed company directorships as independent non-executive directors, independent director or director. He has not involved in the day-to-day operations of the businesses. He has disclosed to the Company the number and nature of offices held in public companies or organisations and other significant commitments from time to time. REASONS AND FUNDING OF BUY-BACKS

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek the Buy-back Mandate from the Shareholders to enable the Company to buy back its shares. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders as a whole.

Buy-backs of Shares will be financed out of funds legally available for the purpose and in accordance with the memorandum and Articles of Association, the Listing Rules, the Companies Act and any other applicable laws. Any buy-back by the Company of its own shares may be made out of the profits of the Company or out of a fresh issue of shares of the Company made for the purpose of the buy-back or, subject to the Companies Act, out of capital and, in the case of any premium payable on the buy-back, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, subject to the Companies Act, out of capital.

The Directors have no present intention to buy back any Shares and they would only exercise the power to buy back in circumstances where they consider that the buy-back would be in the best interests of the Company and the Shareholders as a whole. The Directors consider that if the Buy-back Mandate was to be exercised in full, it may have a material adverse impact on the working capital or the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2021, being the date on which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

UNDERTAKING OF THE DIRECTORS

To the best of their knowledge, having made all reasonable enquiries, none of the Directors or any of their close associates, as defined in the Listing Rules, currently intends to sell any Shares to the Company or its subsidiaries, if the Buy-back Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Buy-back Mandate in accordance with the Listing Rules, the memorandum and Articles of Association of the Company and applicable laws of the Cayman Islands.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the proposed Buy-back Mandate is approved by the Shareholders.

EFFECT OF TAKEOVERS CODE

If as a result of a buy-back of Shares pursuant to the Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Mr. Shum is deemed to be interested in 1,244,877,716 Shares under the SFO, representing approximately 59.23% of the issued Shares. 1,244,877,716 Shares were held by Asiaciti, which is wholly owned by Super Reach, which is in turn 60% and 40% owned by Renowned Brand and East Profit, respectively. Renowned Brand is wholly owned by Mr. Shum and East Profit is wholly owned by Ms. Li, the spouse of Mr. Shum. Ms. Li, therefore, is also deemed to be interested in 1,244,877,716 Shares under the SFO. In the event that the Directors should exercise in full the Buy-back Mandate, such interests will be increased to approximately 65.81% of the issued Shares.

In the opinion of the Directors, such increase would not give rise to any obligation to make a mandatory offer under Rule 26 of the Takeovers Code. Accordingly, the Directors are not aware of any other consequences which arise under the Takeovers Code as a result of any buy-back of its Shares by the Company.

As the exercise of the Buy-back Mandate may result in the Company's public float falling below the prescribed minimum percentage level as required under the Listing Rules, the Directors have no present intention to exercise the power to buy back Shares.

SHARE BUY-BACK MADE BY THE COMPANY

The Company had not bought back any Shares on the Stock Exchange during the six months period immediately preceding the Latest Practicable Date.
